

Dear Blue fin,  
My favorite part  
when I went up to Duluth MN.  
was when me my aunt (Linda)  
my grandpa (Tony), my grandma (Sue)  
and my sister (Emily) went  
to the Duluth aquarium after  
we went to the aquarium we  
went to Blue fin bay and let  
me tell you I had the time  
of my life! The pillows were  
cozy the view of lake super-  
ior was great and the best  
of all was the swimming was  
warm (just how I like it)

I hope you enjoyed  
my story!

Dear Bluefin Bay,

I just wanted to say that i love to go to your resort, even though we only went up there once, (last year) I still enjoyed it. I enjoyed our cabin/hotel rooms very much. My Grandpa, Grandma, brother and my aunt went up, (and me). I enjoyed going to look at the water and feeding the seagulls. I liked when we roasted marshmallows even though it was rainy. I still have the 3 or 2 bags of rocks from bluefin bay and other beaches. I also liked your restaurant, It's very fancy and right for me. Even though we went to your restaurant twice, i still loved the service. I remember when my grand pa went to the restaurant and asked the guy standing in the doorway for cream and the guy didn't understand because he spoke a different language, so he got a different Guy who could speak english so my Grandpa got the cream. We're coming this year, too! Have a good summer!
