

Avoid cookie-cutter events with the superior venues, variety and views offered at the Bluefin Bay Family of Resorts. A variety of meeting and event accommodations allow you to customize your gathering to fit your specific needs.

Our new state-of-the-art conference and event facility at Surfside boasts a lakeside ballroom with dramatic views, accommodating up to 90 people. The ever popular event spaces in the Bluefin Grille offer the perfect wedding venue year-round. In addition to the meeting and event spaces listed here, we have a variety of outdoor wedding ceremony locations right on the water, weather permitting. Ask our event coordinator to work with you to find the perfect fit.
