

Pet Policy

At Bluefin Bay, we love all our guests – including the four-legged ones. If your family vacation just isn't complete without the family pet, you'll be happy to know your four-pawed pals are welcome in a variety of room styles, including select guestrooms, studios, condos and townhomes.

Bluefin Bay Pet Policy

- A maximum of 2 pets per unit is allowed.
- A pet fee of \$20 per night (not to exceed \$80 per stay) is charged.
- Pets must be kenneled if left unattended and our Guest Services staff must be notified in advance so they can contact you should your pet need attention during your absence.
- Dogs should not be left unattended if they are inclined to bark in your absence. Should your pet cause complaints by neighboring guests that result in discounts, you will be charged the amount of that discount.
- Pet fees pay for routine additional cleaning done after all pet visits. Should your unit require more than routine pet cleaning, you may be charged for added cleaning time.
