

Three Bedroom Townhome

This three bedroom waterfront townhome includes 3,000 square feet of fully furnished living space. All homes have at least four decks and patios (some have five and some six!) with spectacular views of the lake and property at just about every turn. Sleeps 6-8 comfortably.

Main Level:

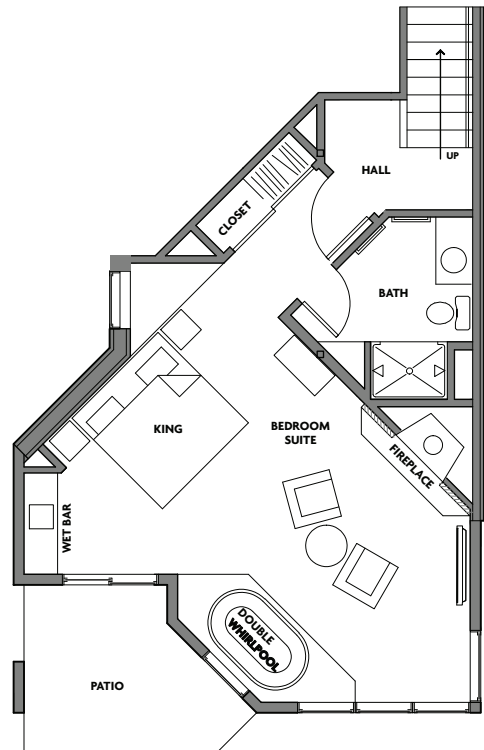

- Two-and-a-half-story vaulted pine ceilings accented by clerestory windows
- Living room with corner custom slate fireplace, and expansive and ever-changing views of the lake, trees and sky
- Master bedroom suite w/ king size bed and master bath with custom glass and tile shower; some units have a deck off the master bedroom
- Fully furnished kitchen with granite countertops and luscious Red Birch cabinetry
- Dining room that flows seamlessly from the living room and kitchen with a deck overlooking the lake

Upper Level Loft:

- Floor-to-ceiling glass wall offers vast vistas of the lake
- Two double beds in loft bedroom with views of shoreline
- Cozy sitting area with custom designer furnishings
- Dramatic two-story space overlooking the living room
- State-of-the-art computer workstation and wireless high speed internet (all you need is your laptop)

Lower Level:

- A special romantic haven with king size bed and magnificent lake views
- Cozy sitting area in front of custom slate fireplace
- Air action relaxation spa tub (for 2)
- Double shower
- In-floor heat
- Fully equipped wet bar
- Patio overlooking the lake
