

Our two bedroom waterfront townhome is perfect for a family, group or couples' getaway (sleeps 4-6 comfortably). Each luxurious level of living space offers plenty of space to relax and curl up with a good book, simply sit and stare out at the magnificent views, or gather as a group in the grand living room.

Main Level:

- Two-and-a-half-story vaulted pine ceilings accented by clerestory windows
- Living room with corner custom slate fireplace, and expansive and ever-changing views of the lake, trees and sky
- Master bedroom suite w/ king size bed and master bath with custom glass and tile shower; some units have a deck off the master bedroom
- Fully furnished kitchen with granite countertops and luscious Red Birch cabinetry
- Dining room that flows seamlessly from the living room and kitchen with a deck overlooking the lake

Upper Level Loft:

- Floor-to-ceiling glass wall offers vast vistas of the lake
- Two double beds in loft bedroom with views of shoreline
- Cozy sitting area with custom designer furnishings
- Dramatic two-story space overlooking the living room
- State-of-the-art computer workstation and wireless high speed internet (all you need is your laptop)
